Account Rate Disclosures • APY = annual percentage yield. • Substantial early withdrawal penalties apply for Share Certificates. • \$25 minimum balance required to earn dividends, except RISE Savings which requires \$5 minimum balance to earn dividends, and Dividend accounts which earn dividends on balances over \$1,000. • No dividend is paid if an account is closed prior to the dividend pay date. • All rates are subject to change without notice at the discretion of Simplicity Credit Union. • Please contact Simplicity for verification of current rates. • Review the terms and conditions for full account details. Rewards Checking: • To qualify for 3.00% APY, you must be enrolled in eStatements, have direct or mobile deposit of \$500 or more, and complete at least 20 debit/Point of Sale transactions per month OR have \$250,00 or more in aggregate share balances (including savings, checking, and other eligible accounts) OR be aged 16-21, no additional stipulations. • The 3.00% APY applies to balances up to \$15,000, and 0.05% applies only to the amount over \$15,000. (Example: If your balance is \$16,000, you'll earn 3.00% on the first \$15,000 and 0.05% on the remaining \$1,000.)
