

Card Management

SMS Terms and Conditions

Program Description Q2 Text Banking allows our financial institutions' customers to opt-in to receive two-factor authentication codes as well as receive account information for their banking accounts from Q2.

Supported Carriers AT&T, Boost Mobile, MetroPCS, Sprint PCS, T-Mobile, U.S. Cellular, Verizon Wireless, Virgin Mobile and select regional carriers within ACG, Interop Technologies, and ClearSky Technologies, but is not compatible with all handsets. T-Mobile is not liable for delayed or undelivered messages.

Cost There are no premium charges using Q2 Text Banking. Message and data rates may apply.

Message Frequency Subscribers to Q2 Text Banking will receive one message per query.

How to opt-out To opt-out of Q2 Text Banking, reply STOP to 86434. An unsubscribe message will be sent to your number confirming the cancellation, but no more messages will be sent after that one.

Support/Help For support or information about Q2 Text Banking, reply HELP to 86434. Optionally, you may email us at support@onlineaccess1.com.

Privacy Policy Information concerning data privacy may be found in the privacy policy of your financial institution.

If you have any questions, please send an email to support@onlineaccess1.com
